“ Meeting Gary on the Owens ball field 10 yrs ago, I didn't realize at that time how special he and his family would be, to me and my family. Gary knew me at my best and at my worst. Not once did he ever judge me. Instead, he offered great advise, gave me hope and always had a joke to make one laugh. Often I would watch how Gary was with my son. Treating him as if he were his own. Just as the rest of the boys every ball season. And how wonderful he was with his grandkids! His absolute joy. The Lovell family are extrodinary people. A great blessing to have met Gary, Theresa & Casey. May God give you peace and comfort. Praying for you all and always here if ever you need anything. Love you all... Konia & family
