“ Bill was a great person, a good friend of mine. We spent a lot of years playing music together. I can remember being 3, maybe 4 years old when my dad Buddy was in the band with Bill. Later on I was playing as well. He fixed my car a few times as well. But it's the music and the kind of person he was that will stay with me forever. God speed to you Bill, you were a one of a kind.
