“ *Mr. Hardaway meant a lot to my father, David Pugh. He spoke fondly of your Dad and the good times they had growing up and in their young adult life. Their paths diverged as they grew older, but Dad loved to share his memories with us.*

Our Dad left us over 7 years ago, but we have so many good memories that comfort us. They will comfort you too.

Good bless you, family.

“ *My sincere condolences go out to you. The bible offers comfort and hope when we lose a loved one. When on earth Jesus showed how he and his father are willing and able to end death our enemy forever. The bible book of Revelation 21:3,4 can also offer some comfort at this difficult time.*
