“ *Dear Family,
I am so very sorry about Jerry's death. I had no idea about his illness. Sometimes it seems that death comes too soon. My family and I regret that we will be unable to attend the funeral due to a prior obligation in Dallas, but our prayers will be with you. Jerry was very supportive of my father when he was dying, and I would truly like to be with you. Try to remember the good times you have had with him and recall the blessing he has been in your lives. We are thinking about all of you. Terry and Teresa Crosby Cox.*
