“ Pef was a wonderful friend and neighbor. Such a smart woman! There are too many memories to share here but some of the best have to do with: green Christmas lights, her Kermit always having chocolate for me, her books and her kindness to agree to disagree and lastly, her “Legacy TiVo box!” I miss my friend more than you know. Love you Pef.

“ Even when she felt poorly, She had a sweet and engaging laugh and a twinkle in her eye. She had an indomitable spirit. She also loved to read. I remember her reading books and smoking on Tammy’s front porch several times. I know how much Tammy and Kaj, And Keira, and all the kids will miss her. She was special.
