“ I miss you so much, you were my rock. I don't know how I'm going to be able to go through the rest of this life without you. I love you way more than you knew baby. Your at peace now, you can finally rest. Until we meet again my love. You were right I'am your wife, and always will be. I'm sorry for everyone else that knew this amazing man, we have all lost someone very truly special. Today we have to say goodbye, and it's the hardest thing I have ever had to do. We all love you Gregory. Lol he hated when I said that..
