“ To the McClure Family and Friends, I worked with Guy at Brown. I think of him often as we have a petite painting in our living room, a gift from Guy one Christmas. I loved his sense of humor and valued his contributions to our team. He will be missed. Susan Mouradian

“ Dear Guy & Gwen, Bob and I were so shocked and saddened at learning of Guy's passing. Seems like just yesterday we were speaking with him on the campus of Athens State. Our hearts and prayers for your family are with you through this tough time. Parents should never have to bury their child, and I just can't imagine. Love, Dona and Bob
