# Tribute Wall

GM

“ I can't say I know how the family is feeling, but I can share what have given me the greatest comfort when dealing with the loss of a love one. My greatest comfort is reading the Bible. One scripture I like to share is Acts 24:15, which says, "and I have a hope toward God, which hopes these men also look forward to, that there is going to be a resurrection of both the righteous and the unrighteous".
