“ *There are a number of people that come along in life that have an impact on lives in a very quiet and profound way. This is the case of Harvey Todd. He possessed these qualities and more. I will always appreciate his sincerity for our well-being. His love for the Lord in his life was most inspiring. Harvey Todd was a good man and one of the great characters of our hometown. We will miss him, but we rejoice for his transformation to the heavenly realms of the promised land.*

1Th 4:17-18 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words.
