“ *Could not have asked for a better aunt. Loved her very much. So sorry we could not be there to share in all the memories and laughs I am sure will be shared. Wynell would love to see her family gathered and enjoying each other's company. She loved company. Everyone loved her. If you left her house hungry, it was your own fault. Our loss is Heaven's gain. Greg, you took good care of her and are an inspiration to all with aging parents. Love you and thank you.*
