“ I did not know Frances long, but grew to be very fond of her. She was very supportive of me. I think that we were becoming good friends. So sad that she is no longer with us. God took her to him so she could paint for him in heaven.

“ Donald and family please accept my sincerest condolences in the loss of Frances. There is no love like a mother's love and no easy way to give them up. The only comfort is to know your Mama was a christian. I loved Frances. I know you will miss her. God bless and comfort you all.
