“ *May the road rise up to meet you.
May the wind be always at your back.
May the sun shine warm upon your face;
the rains fall soft upon your fields and until we meet again,
may God hold you in the palm of His hand.*

“ *Do not stand at my grave and weep,
I am not there... I do not sleep.
I am the thousand winds that blow...
I am the diamond glints on snow...
I am the sunlight on ripened grain...
I am the gentle autumn rain.
When you waken in the morning's hush,
I am the swift uplifting rush
Of gentle birds in circling flight...
I am the soft star that shines at night.
Do not stand at my grave and cry—
I am not there... I did not die...*
