“ When my family and I would visit, I would always send a thank you card when we returned home, and it was addressed to BuNoPaSuBa. It always found it's way. Certain things in life are meant to be - Roy and Dale, peanut butter and jelly, peas and carrots, chips and dip, and our own 2 peas in a pod "Buddy and Enola". I, too, have wonderful memories of visiting "down on the river". Buddy and Enola were always the bestest of the best, taking us on a pontoon ride, telling us about his ginseng adventures and Enola would always have tons of food - magically ready at the drop of a hat. They were both irrepressible spirits, full of love, laughter and goodness - so much goodness. We send our love and our heartfelt sympathy to you all.
