“ Dear family, John and Jan,

I feel very sad about the death of Jack, my American dad. From 1980 till 1981 I lived with Jack, Judy, John, Jeffrey and Jan. I was exchange student from Holland. I remember Jack and Judy as a very warm couple, they treated me as their daughter. I have many warm memories from my stay in Ephrata.

My mom always stayed in contact with Jack, through her i heard how things where going on in the Bowers family. Jack was very proud of his kids and grandchildren. He send pictures of them as well. A special man. I will never forget what he , and Judy, done for me during my stay. in Amrica.

May he rest in peace. All my love for those who will have to miss him.

“ Dear family of Jack,

My sincere condolences to all of you. Each year Jack sent me a Christmas-card and so did I.

Because I did not receive one I was a bit worried and just checked the internet. I was sad when I read he recently passed away. Lots of strength to all of you. I strongly remember my vacation in Ephrata staying with the Bowers family. And of course many years later visiting again with my mom, in 1996, the year my father passed away. Greetings from Harald, The Netherlands
