“ Upon reading this announcement, I believe Mr. Greenhaw is the husband of Helen Greenhaw who taught me Home Ec and was my cheerleader sponsor in high school. I am so saddened to read this and will have the family in my thoughts and prayers. I know all of you are feeling a deep sadness and hurt. "God is our refuge and strength..." Lean on Him. “ When I first moved to Athens, Jackie and Helen were very instrumental in introducing me to the community. I will always remember how gracious, warm and friendly both of them were and how well respected they were in the community. And that spoke volumes of their character and integrity. When Jackie asked me to be involved in Poke Sallet, what an adventure. I will never forget him in his "Pirate" outfit!! What a heart he had for his family, friends and community. Jackie made a difference in this world. Comfort blessings to Helen, family, friends and the community. Godspeed Jackie, you will be missed.

“ Can't believe how many years it has been since I have known you as a couple! When we were at Montevallo, it seemed that you planned for a trip home every chance someone was heading to North Alabama.

When I called your home today, that same ole Jackie cheerful voice was a reminder of the days at AHS.

Our thoughts and prayers are with you and your family.
