“ *Jackie was one of a kind! I was at my son's house in Tuscaloosa this week and saw a beautiful yellow knockout rose blooming in December! Jackie was like that December rose--beautiful and such a pleasure to be around. I'm so sorry for your loss, but so happy for her gain. I know the angels are rejoicing to have her join in the singing. May God bless and keep you.*

“ Jackie was a light that would light a room. Her adventure, curiosity and love for life and others would bring a smile to your heart. She was a gal that loved her buttercups, singing, sunny days and sense of adventure. She will always have a place with me and my family in our hearts. I love you and miss you so much but have so many memories to take with me. Start planting our field of buttercups in heaven so they'll be in full bloom when we get there. Love, Patty, Harold, Autumn, Nick, and Pumpkin Head

“ Jackie was a high school classmate. She was very smart, but more importantly always concerned about the other person. She wanted to make the other person feel important too. To me, this is a true sign of great character. May God bless you at this sad time. Sincerely, Patty Anderson
