“ *I met Jackie about 18 years ago through my best friend who was his motherinlaw (Patti Rice). We had many fun times but we also went through some bad ones. I will never forget the 4th of July we had right after we moved into our house with all our friends there. We had so many laughs, food, and fireworks. You and Andrea have been like family to me. You always helped me when Terry was out of town . I will miss your humor the most. I will miss you very much.*
