“ My name is Betty Hannah Keel. I remember the Sandlin family name, and am sure I met a relative, but do not specifically remember James. I attend family reunions in Pulaski, TN in June many years. It is the Hannah Ziegler Family Reunion. My father, Andrew David Hannah, was born in the Pulaski area and has many relatives that I have met. Andy Hannah moved to California at age 29 and that is where I was born and still live. He lived to be 94, and died in 1989.

*My sympathies go to the Sandlin Family on their loss.. Betty Hannah Keel.*

“ I am so sorry and wish to express my sympathy to the family. I did attend school at Tanner with Larry and Harry and knew Jimmy. Jimmy and my brother Wade Rogers were good friends and I knew him better that way. Wade is in a nursing care facility and will not be able to come. When I found out from my nephew Steve Lovell that Jimmy was sick I told Wade and he remembered him and said " Jimmy and I had a lot of fun when we were growing up, he was a good friend" then he added " I would really like to see Old Jim" but his health would not permit him to come. I will tell Wade of his passing when he is strong enough and alert enough to hear about it and understand. Please know that my prayers have been and will be with the family.
