“ *Only recently did I learn of Jane's passing and I can say I was truly grieved. I first met Jane when she was a student at Athens High School. As years passed, our paths crossed many , many times in that we shared in personal and professional pursuits. I will never forget Jane - - truly, one of the kindest and most enduring people I have ever had the pleasure and blessing to know . . .*

“ To the family i send loving sympathy and prayers during this time of great loss, Jane and i worked together for several years at Smith Florist. Jane has always been a wonderful friend , though we did not see each other very often, i always got a hug and we would spend time catching up and sharing details about our families and friends. Our last time to run into each kther was at Wal Mart and we talked and laughed for about twenty minutes. It was so good to see her, my wife and i loved Jane and will miss her. Gods Blessings for you all is our prayer.

“ Janie ~ Whenever I think of you, I can't help but smile! You were one of the "new" friends that we met when our family moved to Athens. Y'all were so welcoming and kind to us dad-gum Yankees! I remember thinking it a little odd that your parents would name your brother Ernie Ernest! But ... well ... since no one around said anything about it, I didn't either! I just know that Scott was there to welcome you home. Until our paths cross again my friend, you will continue to live on in my heart.
