“ Carol was my No.1 Assistant in the laboratory of Federal-Mogul at Athens, Alabama. I had transferred from the UK branch in Slough, and spent a very interesting and enjoyable time of almost 4 years as the laboratory superintendent in Athens. It was with great sadness that I learned of Carol’s death only recently, and I would like to send my belated condolences to her daughter Sonya and the Family. Attached is fairly recent photo of self and my wife Margaret. I Would be delighted to hear from any of my old workmates. Norman Sibley
