“ I was truly shocked to hear of Jeff’s sudden death. I knew Jeff from Martin Industries and was so glad to be able to reunite with him at ATN, having the privilege to work several projects with him. Jeff’s enthusiasm and energy was contagious and I felt I could talk openly to him on any subject, receiving an honest and straightforward answer. His good natured personality and smile will definitely be missed! I was honored to have known him and considered him a good friend and colleague. My prayers will be with him and his family during this tough time. “Eternal rest grant unto Jeff, O Lord, and may perpetual light shine on him.”
