“ I wanted to offer my sincerest condolences in this time.

*I have been conducting family history for some years now and came across this obituary.*

*Jerel and I share a common ancestor in John Woodford Greenstreet Sr. And Victoria Martin (both his maternal great-grandparents).*

*It is truly humbling to me to see how far the branches of family trees extend throughout generations of time.*

*May you all be blessed with peace and comfort.*

*With much love and respect,*

*Mike Greenstreet*
