“ *To Carolyn and family, I send my deepest sympathy in your loss of Jerry. You may not remember me, but my late husband, Ed Beck, and I were friends with your family when your son, Jeff and our late son, Billy Wells, were young. I thought so much of your family, and have missed you since you moved. Still can see Jerry sitting in a chair with our baby Blair lying on his chest sound asleep. So sorry I couldn't come to his services as I am recuperating from another back surgery. Sending love and prayers for all of you. Brenda (Beck) Hicks*

“ *Uncle Jerry was the delight of our trips to Kentucky during my childhood. Despite his massive body and booming voice, he was always laughing and teasing us, playing tag and carrying us around on his shoulders. One time he took me, along with several of my cousins, in Papa Conner's car to the store and he showed us how he could turn the steering wheel and drive with his feet! Jerry will always live in my memory and in my heart. Beda Boyd Cain (daughter of Rebecca and Louis Boyd)*
