To those who don;t know me:

Jimmie & Herbie's mother Ruby is my first cousin. She was 18 years old when I was born, so it always seemed like Jimmie, Herbie, and I were the first cousins. I used to spend a few day at a time at their house, and we loved playing "Cowboys and Indians" and "War." When I was thirteen, my parents immigrated to California. Except for my three years in the Army, I lived in the San Francisco Bay Area until I retired to Maine in 1997. Whenever I returned to Athens for vacation my father, Thomas Andrews, and I used to always head to Greenhaw's where we'd schmooz a while with Ruby, Oakley, and Jimmie.

Whenever in Athens I always had a few Dub's hamburgers. I could eat three or four now.

Rest in Peace Jimmie.
