“ *I am so sorry for your loss! I've known Jimmy for almost 40 years and worked with him at several different sheet metal plants. He taught me a lot about sheet metal. I've made many trips to and from Alabama with him. I met a lot of great people down there because of Jimmy. I kept in contact with him after his retirement. Heck I even helped him load his truck to move down to Alabama with a couple of my friends. I have many memories of him I hold dear to my heart. I will miss him dearly. Sincerely, Emil Kariolich*
