“ *Nellie, my heart hurts for you. I know Jay will step up for his mom. Joey was a good provider and helped people that was down on their luck. I'm so glad me and Cathy introduced you two. You were a perfect wife to him and you took good care of him. He was spoiled by you and he knew it. I'm sorry I can't be there today. I'd love to see Jay. I'll see you soon. I love you Nellie. Love Jan*

“ *Nellie, Jay, and all of Joey's family. I'm so sorry to hear that Joey passed away. I didn't know Joey personally, but, from people I know that knew him, he was a good man. I know he loved Bentlee, my granddaughter and would ride her around on the four-wheeler. He raised a son, Jay, that's was not his blood son. For that I know he had to be a good man and Dad. And I'm very grateful that he did. Jay is a great man because of Joey. Again, I am so truly sorry for your loss.*
