“ We, at Signature Flight Support, in Huntsville, loved John so much. He was such a joy to be around. He always had a beautiful smile on his face and could change the mood in a room just by his presence. I knew him for many years. He spoke of his wife and family with much love very often, sharing stories of their family vacations and other fond memories. His death was a shock to me and so many who knew him. He will definitely be missed. God bless you as you heal from this tremendous loss. Deepest and hear felt sympathy from the Signature family.
