“ I had the honor of getting to know Mr Bob and his family when I was a young kid that had just moved in a few houses down in Goose Creek in 1987. Jeff was the first friend I made and we were thick as thieves! Jeff’s family became my family and mine his. Back then all of the neighborhood parents could straighten you out if needed and Mr Bob was never afraid to. However, he always did things out of love and compassion. He was like the neighborhood Dad and we were so lucky and blessed to have him in our lives. He was always quick with a joke or “fun fact” about Alabama (mostly football facts!). My heart goes out to all of the family. Jeff and Mike, I love y’all! He is home! Respectfully, Anthony and Christie Bassi

“ I was so saddened to see this in my email this morning. Bob worked on the CASA Bd of Directors with us for years. He was one of the reasons that we were able to have Mud Volleyball Tournament for the many years that we did. He worked hauling equipment, working with the set up and the clean as well as being at the event to do anything needed. The pictures were taken at MVB 2016, the last year that we had the event. Bob was so kind, well-respected, had a good level head and a heart for helping others. We all loved him. I shared this with Helen Carter who was also on the board. We would love to come to his memorial. Please let us know when it will be. I will keep your family in my prayers. I know he will be missed.
