“ I've known Brett since the 70's . We trapped,hunted and fished together when he was growing up. He has been my next door neighbor for the last 15 or so years. The last time he came down he had some tracer rounds for a 223 (his Dad's I think) I'll never forget the look on his face he thought it was so cool to be able to see the bullets in flight. It was .. He'll be greatly missed.....53b
