“ I will dearly miss you Uncle Scott. I can't describe the overwhelming joy you brought into my life every time you'd make me laugh. I will miss you so much, even though I haven't seen you in so long. However, I am filled with confidence and joy to know that I will see you again in Heaven. I know with certainty that as we're left here to mourn that we won't see you for a while, you are filled with joy unspeakable in the presence of God.

“ You were a great man who always took care of everyone around you. You had an amazing sense of humor and could make anyone smile and on the cloudiest of days you were truly a ray of sunshine! You had an amazing outlook on life and this world will not be the same without you! It was a privilege to have you as an uncle and an honor to have had you in my life! I love you uncle Scott and til we meet again!
