“ John has been a dear friend to me and my family for 40 plus years. He and Carolyn visited us many times after I married and moved to Florida. Anytime I've returned to Alabama we always got together at my parents home. They were just like family to all of us. He will be missed by all. Our love and condolences go out to all who loved him.

“ Carolyn, my heart aches for you. Johnny spent lots of time fishing with Kenneth and hanging out at our house. They had the BEST times together. I know they are reminiscing about the big fish they caught ...or the time they were fishing a tournament and forgot to put the plug in. I pray God will comfort and give you peace 🙏❤️

“ Our condolence to Carolyn and John's Family. He'd been my friend and a coworker for over 40 years. He was my "Best Friend" ever. I'll miss him and our weekly conversations forever. There's just no words to express our feelings for the loss of John. You can rest in peace now, my friend.

Saddened to learn of John's death. Our sympathies to Carolyn and his family. We were John's neighbors for 16 years, and could not have asked for a better neighbor.
