“ *Seen Aunt Pike today. She has cancer and hoping her last test comes back cancer free. She looked so fragile. I was tearing up inside and someone was talking about you. I rushed outside crying missing you and praying God don't take her to. I miss you so much JJ. If there was one person I could wish back alive it would be you!*

“ *I miss you JJ. I love you. Why did you leave so many people that loves you so. I'm hurting bad inside. I'm mad at you for leaving me like that. I have so much rage inside. it might help if I new why but I never will. You could have yelled for me. You new my hand was always there to catch you but you didn't reach for me. There will never be a day that I don't think of you.*
