“ I wish i could have more time with you. I think about you everyday and i missed your sweet kisses, and loving hugs. We may had some ups and downs but we never gave up on each other and we continued to love each other through the problems. I love you joeypooh and will make sure your last wishes will be fulfilled. Your son will definitely know who you are and how great of a person you really are despite if what the society tried yo say you are. You was special to me and i cared deeply abouy you.
