“ I am so sorry for the loss of Josh. I did not have the courage to see you eye to eye today but please know I was there for the visitation and service, I just could not get out of my car. Hard to believe he will never again follow Alex into my house. I loved the kid more than words could ever say. I am so sorry.

“ We were so sorry to hear about Josh's accident and death. We have watched him grow up in the neighborhood from a little boy in school to a fine young man. He was always so friendly and polite every time we saw him. Our thoughts and prayers are with you during this sad time. God bless your family.
