“ Having seen Juanita only a few times, but learning so much about her From her brother and sister in law, one of her most beautiful Attributes was love for her family and friends. Regardless of her Own feelings or personal needs, she was ready to help when Needed. She loved and served her church and friends there. May we be assured her tired body is now at rest. Praying for Each family member as they adjust during this short separation. What a privilege to have known her.
