“ Jim and kids,  
I am so sorry for your loss.  
I sure would have liked to have made it to Alabama for the visitation but was not possible for me to do so.  
Gene could not take care of things here while I was there.  
Please know that my heart goes out to you.  
I will miss her very much.  
Our prayers were with you and Judy everyday praying for her recovery.  
Please when things settle down for you call Gene and me Jim.  
Just know we love you and Judy very much.  
Again please know how sorry we are for your loss.  
Love Betty and Gene

“ Judy made a lasting impression on our lives many years ago and it was always a pleasure to see her. Her smile spoke volumes and her concern for others was evident each time I saw her. Jim, our prayers are with you and your family.

“ I so enjoyed working with Ms. Judy at Champion, she was a joy to be around. I loved it when all of us girls got together after work, she was a lot of fun! Our hearts are broken, she was a very kind and loving lady. She is missed already.

“ Dear Family,  
My heart is saddened with the news of Judy's passing, She will be missed by all, I will always remember her laugh and the fun we all had on card night. Us kids played, while the grown-ups played cards. I am happy that she is no longer in pain and suffering in this world. But now she rests in the arms of Jesus. Praise God for taking her home to be healed. My thoughts and prayers are with you all.  
Love Beth.

Your two best friends never gave up on you (Jesus & Me)& you fought hard. May you rest in peace with our heavenly Father, until we meet again.
