“ Dear Kim and Ricky,

*Remembering all those days of waiting until you both got off the bus, while waiting on Mama and Granddaddy Jackson's porch every day. During the day, going to Judy's house, up the trail, that I remember so well, beside that ole tree we used to climb, to go and see Judy and Morris. Growing up together was wonderful. Even as I grew up and was grown, she played such a big part in my life. I miss her already but I also will hold on to the memories we have together. I love you both. Love, Donna*
