“ I miss Mrs. Ham very much. She was my neighbor across the road for over eleven years. More importantly within the last two years, she became a good close friend. Something good came from her fallen and breaking her wrist. It brought us closer like family instead of just neighbors. We have laughed together, cried together and shared many stories together. It wasn't a surprise to hear one of my kids say, "Let's go see Mrs. Ham." We will all miss her.

“ Lisa, David, Jason, and Jonathan.. In the past 1 1/2 year that my mom has been taking care of Ms. Ham, I've grown atached to her. It seems like she was my own grandmother. Everytime i walked into that house, the first instinct was to run over and give her a kiss on her forehead. I will cherish ever time i got to spend with her. Weve had so many laughs together even embarrassing Greg, mom's brother.. But i will always have her in my heart and memories. I love you Judy Dawn Ham..
