“ When I was growing up, Junior and his family were one of our closest neighbors. He was often over at our house on Sundays, to watch football with us. Or on Saturdays if Alabama was on. Over the years (and until I moved away about 10 years ago), he continued to be my neighbor. Whenever I saw him, we always shared some laughs. I will miss you Junior very much. Roll Tide!!!

“ I met Jr when Kendall had the carwash next to the BP. I only knew him for about 2 1/2 years but loved him very much. Everytime I saw him he would tell me that he loved & missed me. It was truly a blessing to be part of his life and Kendall and I both will miss him very much. Was just thinking last week about his birthday coming up soon and what to get for him. Enjoyed seeing him so excited when it was time for his birthday or christmas.. Will be missed by so many.
