“ Kenny Wade was a lot of things to different people. He was always willing to come to the rescue anytime day or night. He never seemed to ask a lot out of life. He took it very hard when he lost Josh and never really got over that loss. I can only hope his sons know that he only wanted them to be the best sons and, fathers with good character.
I have many memories of him but I think I will keep most of those to myself.
Most of all Kenny was my friend and was always there for me. I will miss him dearly., Brian
