“ *Duel Peggy Bradley & Tiffany,  
Kim was my best friend growing up and we spent almost every weekend together. Oh my goodness at the trouble this girl would get her self into. She knew she would be grounded for months but did it anyway. I would say no Kim you better not and she would do it anyway. She was head strong that was for sure. I can't believe we let all these years pass us by and did not stay in touch with each other. I sat last night and looked at pictures of Kim and I we really had some good times together. I am praying for god to be with you through this terrible ordeal you all are having to endure at this time. All of you hold a special place in my heart. Your home was like home away from home for so many years.*

“ *Anthony and Family, Please know that my heart goes out to each one of you. Losing a loved one is never easy, but thanks be unto God who has given us a comforter. He will be there to comfort and console you in your lonely times. He will give you the strength to make it through the day. May you rest in peace, Kimberly. Praying for you...*
