“*I want to express my sympathy to Gene's family. Many years ago, Gene and I were good friends in Water Valley as young boys. I happened to see his obituary online while reading WV's newspaper. Gene was a fine young man and I have many good memories of our times as young boys in WV. I am so sorry for your loss. God's blessing on Gene's family.

“*To Rose and family-
We in the Department of Civil Engineering past and present send our love to you in this time of your great loss. Gene was an inspiration to all of us in his love of and service to people. We especially remember and enjoyed his great sense of humor.
