“ Landon was such a blessing. He taught me that staying strong was all that you could do when things were not so good. Landon was one of a kind, I always remember him from When my mother helped at his school and he was my favorite kid to see when I would be there to see my mom! He truly smiled through everything. He will be greatly missed, he was a fighter, but now he's up there in heaven just a walking and a talking no more suffering no more pain. Hope I'm so sorry for the lost of Landon, Landon wouldn't want you to be like this. He knows you miss him dearly, but he would also want you to find some comfort in your days an nights along and grieving!
