“ Patti, I'm so sorry for your loss of Mike. I remember the first time I met you, you telling me about plans to marry him. May God's mercy and peace be with you in the coming days. Love to you all and to his family, I remember riding the school bus with them to Piney.

“ "Back in the day" I would visit with Patti and Mike before they were even married. They came to my parent's home in Birmingham several time after the children to see the fireworks at Vulcan. We would have so much fun watching their faces light up when there was a big bang. My thoughts and prayers are with Patti and families today and the coming weeks. Left them all remember the happy times with fond memories to help fill the void with Mike's passing.
