“ Sue and family. I just found out about Buster's passing. I am so sorry. Over all the encounters I had with him all of the many years, He was always so nice. I'm sure you and the family miss him tremendously... it doesn't seem real he is gone. God bless you and all of his family

“ I got to know Mr. Watson from Dialysis. We would sit in the lobby & talk. He was funny & we all had a good time waiting for our treatment. My prayers are with his family.
