“ Much love, (virtual) hugs and kisses to all of the Pressnell and Goodin families. When we are able to be together again physically we will have real hugs. Please know that our tears and grief are heavy with you. Linda was absolutely one of the sweetest women anyone could have the privilege to know and we will miss her. Prayers and love to you all.

“ Linda was a christian and a very loved member of our community. She was also alot of fun to be around. She was always smiling. She loved Glenn, her sons Michael and Troy and Michael's wife Dana, and their grandchildren Harrison, Hamilton and Huntley. She was always there when the boys had sports events or other things that were important to them as they grew up and the same was true when her grandchildren were born. She would sit in her lawn chair at ballgames with the other parents and grandparents or on the bleachers and cheer the team on as they played . She loved her sisters and her brother and and their spouses her nieces and nephews. Family was important to her. She loved her church family too, and was known to visit and carry food when someone was sick or just needed a little extra help. And she also brought vegetables from their garden to share. To know her was to love her. She will be missed by all of us. Michael David, Tracie, Ethan and Kaitlynn
