“ I graduated with Linda from High School. We became reacquainted at Limestone Health Facility where our mothers were residents. I visited Jean almost daily. My mother is now 90 and still there. Somewhere just recently I ran into Linda and we chatted for a few minutes. We went to First Baptist Church together, and our mothers were in the same Sunday School classes. I grew up just a very short distance on N. Hine St. from Linda and Vickie Thomas on 6th Avenue. Jimmy Corder, my brother, and David were classmates and friends. Our lives intermingled for many years. Thankful for the many times we talked at LHF. Praying for God to comfort you with your wonderful memories! God Bless, Vicki Corder Curtis

“ *Linda was a sweet beautiful lady. I have so many nice memories of
linda from high school and church in our teenage years. I always
loved watching her cheer with kerri and dusti when they were
cheerleading, and still coming to games to watch her beautiful
grandchildren play.
We will dearly miss Linda.
Prayers, hugs, love*

“ I actually don't remember when I first met Linda. seems she was always one of my group of friends. She and Butch became close friends of my entire family. Whenever we would see her, she was always ready with that brite smile and her quick wit. To see her with her family was to realize how much she loved them and how devoted she was to them. The prayers of my wife, Karen and I are lifted up for Dusti and Kerri. We will miss Linda and think of her often.
