“ My favorite memory is going to Hawaii with Lorraine, Wayne, Sharon, and Roberta. But there are so many more memories. Loved the cruises I was invited to go on. I've known this wonderful family for almost 50 years. Early in our friendship Lorraine and I would go twice a week to Elaine Powers Exercise Studio, then out to eat to defeat the purpose of doing the exercises. Wayne promised her a car if she would learn to drive, so I'd go with her so she could practice. One day after practicing to parallel park we went to the courthouse, she took the test and received her license. Wayne, true to his word, bought her a car. God bless you all.
