“ Dear Diane, I am so sorry that our sweet Lottie has passed away. I will forever have her precious smile in my memory. It was such a joy to take care of her! She was always my sunshine even on the rainiest of days!

I wish I could come to offer my condolences to you and your family, but since My retirement, I have become totally disabled and on oxygen 24/7. I pretty much only get out to go to the dr.

Thank you for letting me know about Lottie. Y'all will be in my prayers this week. Please tell Ron that I will be praying for him... and Chase and Julie.

I loved Lottie and all of you!! I was blessed just to get to know y'all, and I was even more blessed to have been trusted to take care of your precious Lottie.

Praying for comfort! 🙏❤️
