“ I worked with Louis at Teledyne in Lewisburg. He was a great friend. We were both in the Navy, so we had shared many memories. He was a brother to me and I will miss him. It was great to meet a true Christian, He talked the talked and more importantly, walked the walk. What a great example for all to see and to have known. Fair Winds and Following Seas.....Till we meet again. Your brother, Tony

“ I had the honor to work beside Louis at Yulista. He taught me a great deal about life and to let the small things go. He was a great mentor and inspired me to be a better father and husband. He was a great Christian husband and father and there is no question where he is today. We will meet again one day my friend! Love you buddy! My thoughts and prayers go out to his family he always talked about!

“ Robin, and the entire Stacy family. Missy and I are so saddened to hear about Louis. We are so sorry for your loss. We will never forget Louis and the Military days in Norfolk Va. He helped with the Youth group in the Community of Christ Church while he served our Country. He touched our lives personally when Missy's father passed in 1990, Louis came to Louisville, Ky just to support Missy and myself during the funeral. What a gift,.. but that was Louis..one of Gods beautiful children.

Gods Blessings to all of you.

“ *I remember the times when Louis was in the Navy and spending some very pleasant times in our home in Chesapeake, Virginia. I remember the privilege he gave to me by asking me to officiate at his wedding. That wedding seems like it was just yesterday. God knows Louis and smiles at his friendly nature.*

“ *I will always remember Louis as one young boy I had the honor to watch grow into a fine young man. Although the years put miles between us, his friendship was special. I will never forget the last time we talked on the phone when we shared old memories and what the future held for each of our lives. Louis was a giving person and let those he met know that he really cared. This is a gift from God. I will miss Louis but his memory will always be with me. My prayers are with his family.*
